## 2017-2018 Grade 7 & 8 Co-Curricular Activities Permission Authorization Form

Atikokan High School offers a wide range of educational activity programs such as inter-school athletics, field trips and other co-curricular activities. In order to participate, this form must be read and signed by every student who wishes to participate and by a parent or guardian of a participating student (if under 18 years of age). These activities may contain certain elements of risk. Accidents may occur while participating in these activities, and these accidents may cause injury. A few examples of the type of accidents or injuries that may occur, but not limited to are: transportation accident; scrapes, cuts, bruises; burns; pulled muscles and broken limbs.

These types of accidents result from the nature of the activity and can occur without any fault on either the part of the student or the School Board or its employees or agents, or the facility where the activity is taking place. In choosing to participate in these school co-curricular activities, the student and the parents/guardians are assuming the risk of an accident occurring.

All reasonable safety precautions will be taken, and the risks of injury can be further reduced by the students carefully following instructions at all times.

The Rainy River District School has purchased a blanket student accident insurance policy for all full-time students which provides 24-hour coverage every day throughout the year, including weekends, summer vacation and other school breaks. Part-time students are not covered.

Please indicate on this form that is being returned to the school, or contact us personally, if there is anything about your child that we should be aware of and any precautions that should be taken (medical allergies, etc.).
